Subject: MTD Telephone System Proposal Deadline Extension
Date: Tuesday, February 19, 2008 11:52:24 AM

To All Known Recipients of MTD's Telephone System Replacement RFP:

The proposal deadline has been extended to Tuesday, February 26, 2008 at 4 PM.

This change has been determined to be in MTD's best interest in order to allow adequate time for proposing firms to prepare their proposals. Factors considered include occurrence of the President's Day holiday the week that proposals are due; issuance of Revision 1 to the RFP later than expected; and a determination that the extra time is simply necessary due to the complexity of the project.

All other specifications and instructions remain the same as delineated in Revision 1 to the RFP issued last Friday, February 15. No addendum or revision to the RFP document will be issued to reflect this change, although it will be posted on the Procurement page of MTD's website. Every effort will be made to maintain the rest of the procurement schedule.
