

AGENDA

**Meeting
of the
BOARD OF DIRECTORS
of the
SANTA BARBARA METROPOLITAN TRANSIT DISTRICT
A Public Agency
Tuesday, August 23, 2016
8:30 AM
Santa Barbara MTD Auditorium
550 Olive Street, Santa Barbara, CA 93101**

1. CALL TO ORDER

2. ROLL CALL OF THE BOARD OF DIRECTORS

Dave Davis, Chair; Chuck McQuary, Vice Chair; Olivia Rodriguez, Director; Dick Weinberg, Director; Bill Shelor, Secretary; David Tabor, Director; Roger Aceves, Director

3. REPORT REGARDING POSTING OF AGENDA

CONSENT CALENDAR

4. APPROVAL OF PRIOR MINUTES - (ATTACHMENT-ACTION MAY BE TAKEN)

The Board will be asked to waive the reading of and approve the draft minutes for the meeting of August 9, 2016.

5. APPROVAL OF CASH REPORT - (ATTACHMENTS-ACTION MAY BE TAKEN)

The Board will be asked to review and approve the cash report for the period of August 2, 2016 through August 15, 2016.

THIS CONCLUDES THE CONSENT CALENDAR

6. PUBLIC COMMENT

Members of the public may address the Board on items within jurisdiction of the Board that are not scheduled for public hearing. The time allotted per speaker will be at the discretion of the Board Chair. If you wish to address the Board under this item number, please complete and deliver to the MTD Board Clerk, a "Request to Speak" form including a description of the subject you wish to address. Additional public comment will be allowed during each agenda item, including closed session items. Please fill out the Request to Speak form and indicate the agenda item number that you wish to comment on.

7. JANITORIAL SERVICES IFB CONTRACT AWARD RECOMMENDATION - (ATTACHMENTS-ACTION MAY BE TAKEN)

Staff will present a contract award recommendation for janitorial services.

8. VEHICLE FLEET - FUEL AND PROPULSION SYSTEMS - (INFORMATIONAL)

Board will receive a presentation on the vehicle fleet - fuel and propulsion system considerations for future replacements.

9. AUTHORIZATION TO LEASE 6 BYD 30' ELECTRIC VEHICLES - (ATTACHMENTS-ACTION MAY BE TAKEN)

Staff recommends that the Board Authorize the General Manager to enter into an agreement with BYD Motors to lease six thirty-foot battery-electric "shuttle configuration" buses.

10. GENERAL MANAGER'S REPORT UPDATE – (INFORMATIONAL)

- a) Annual CHP Audit
- b) August Service Changes
- c) Linden Ave/Casitas Pass Projects
- d) New Bus Shelter – De La Guerra & Laguna

11. COMMUNICATIONS

- a) SBCAG Correspondence - Linden Ave/Casitas Pass Project Traffic Management Program Funds

12. OTHER BUSINESS AND COMMITTEE REPORTS - (ACTION MAY BE TAKEN)

The Board will report on other related public transit issues and committee meetings

RELATED TO EACH CLOSED SESSION; PUBLIC COMMENT WILL BE ALLOWED RELATED TO THE CLOSED SESSION ITEM(S) BEFORE THE RECESS

13. RECESS TO CLOSED SESSION – CONFERENCE WITH LABOR NEGOTIATOR (GOVERNMENT CODE §54957.6) - (ACTION MAY BE TAKEN)

Agency designated representative: Mr. Jerry Estrada, General Manager.

Employee organization: International Brotherhood of Teamsters Union, Local 186.

14. ADJOURNMENT

AMERICAN WITH DISABILITIES ACT: If you need special assistance to participate in this meeting, please contact the MTD Administrative Office at 963-3364 at least **48 hours in advance** of the meeting to allow time for MTD to attempt a reasonable accommodation.

MINUTES

Meeting
of the
BOARD OF DIRECTORS
of the
SANTA BARBARA METROPOLITAN TRANSIT DISTRICT
A Public Agency
Tuesday, August 9, 2016
8:30 AM
Santa Barbara MTD Auditorium
550 Olive Street, Santa Barbara, CA 93101

1. CALL TO ORDER

Chair Davis called the meeting to order at 8:33 a.m.

2. ROLL CALL OF THE BOARD OF DIRECTORS

Chair Davis reported that all members were present with the exception of Director Tabor.

3. REPORT REGARDING POSTING OF AGENDA

Lilly Gomez, Interim Executive Assistant, reported that the agenda was posted on Friday, August 5th, 2016 at MTD's Administrative office, mailed and emailed to those on the agenda list, and posted on MTD's website.

CONSENT CALENDAR

4. APPROVAL OF PRIOR MINUTES - (ATTACHMENT-ACTION MAY BE TAKEN)

The Board will be asked to waive the reading of and approve the draft minutes for the meeting of July 26, 2016. Director Weinberg advised adjournment dedication should have been addressed to Michael Weinberg. Director Aceves moved to approve the draft minutes with modification. Director McQuary seconded the motion. The motion passed unanimously.

5. APPROVAL OF CASH REPORT - (ATTACHMENTS-ACTION MAY BE TAKEN)

The Board will be asked to review and approve the cash report for the period of July 19, 2016 through August 1, 2016. Director Aceves moved to approve the cash report. Director McQuary seconded the motion. The motion passed unanimously.

THIS CONCLUDES THE CONSENT CALENDAR

6. PUBLIC COMMENT

None was made.

7. CAPITAL PROJECTS UPDATE -(INFORMATIONAL)

General Manager, Jerry Estrada provided the Board with an update on the status of MTD's Bus replacements and acquisitions.

Assistant General Manager, Brad Davis presented an update on MTD's capital projects including the transit center renovations, Olive terminal canopy modifications, Olive terminal fencing, the annual structural upgrades, Smart Card System, bus stop shelters, and a review on the status and capabilities of the new AIM/AVL System.

Mr. Davis explained the various capabilities of the new AIM system including but not limited to the video cameras, vehicle health monitoring, accident reporting, and on time reporting.

Director Rodriguez suggested the Board takes a visit to the Transit center to review the status of the building. The Board and General Manager agreed it would be beneficial.

Mr. Estrada and Mr. Davis both made a special acknowledgement of Safety and Training Officer, Manny Castanon stating he played a large role as the liaison/project manager working tirelessly to fine tune the bus stop announcements, quality testing, and training staff. Mr. Castanon as well as many others has been of tremendous help in getting the new system running smoothly as well.

The Board thanked all staff for the update and hard work put into MTD's enhancements.

AT THIS POINT CHAIR DAVIS MADE A MOTION TO MOVE # 11 (CLOSED SESSION) OUT OF ORDER. DIRECTOR RODRIGUEZ SECONDED THE MOTION. THE MOTION PASSED UNANIMOUSLY.

RELATED TO EACH CLOSED SESSION; PUBLIC COMMENT WILL BE ALLOWED RELATED TO THE CLOSED SESSION ITEM(S) BEFORE THE RECESS

11. RECESS TO CLOSED SESSION – CONFERENCE WITH LABOR NEGOTIATOR (GOVERNMENT CODE §54957.6) - (ACTION MAY BE TAKEN)

Agency designated representative: Mr. Jerry Estrada, General Manager.

Employee organization: International Brotherhood of Teamsters Union, Local 186.

Upon returning from closed session Chair Davis reported that no action was taken.

AT 10:04 A.M. DIRECTOR MCQUARY LEFT MEETING

8. FUNDING OPPORTUNITIES UPDATE-(INFORMATIONAL)

Manager of Government Relations and Compliance, Steve Maas provided that Board with an update regarding various transit funding opportunities expected to be available over the coming months. Funding opportunities from the California Cap and-Greenhouse Gas Reduction Fund (GGRF), Low Carbon Transit Operations Program (LCTOP), Transit and Intercity Rail Capital Program (TIRCP), and the Affordable Housing and Sustainable Communities (AHSC).Mr. Maas advised the Board of the funding opportunities from the FTA Section 5307 Operating, Measure A Operating & Capital, and Transportation Development Act (LTF & STA) are not formulated to continue.

Director Aceves requested an External Affairs meeting.

9. GENERAL MANAGER'S REPORT UPDATE – (INFORMATIONAL)

General Manager, Jerry Estrada shared that the Montecito Community Foundation reached out and encouraged MTD to work closely with the foundation and to apply for a grant to provide beautification of the bus stops. Manager of Government Relations and Compliance, Steve Maas met with the Montecito Community Foundation to discuss potential bus stop replacements. MTD plans to continue to work closely as all the information and guidance provided was very well received.

MTD is continuing to work with our existing electric fleets but also wanted to commend Mr. David Harbour and Superintendent of Maintenance Mike Cardona for taking the lead with BYD, visiting the Lancaster facilities and finalizing the specs for the new electric fleet from BYD. Mr. Estrada also suggested that members of the board take a visit to the Lancaster to view the facilities.

10. OTHER BUSINESS AND COMMITTEE REPORTS - (ACTION MAY BE TAKEN)

No other items were discussed.

12. ADJOURNMENT

Director Rodriguez moved to adjourn the meeting at 10:36 a.m. Director Weinberg seconded the motion. The motion passed unanimously.

BOARD OF DIRECTORS REPORT

MEETING DATE: AUGUST 23, 2016 **AGENDA ITEM #:** 7

TYPE: ACTION

PREPARED BY: RYAN GRIPP

Signature

REVIEWED BY: GENERAL MANAGER

GM Signature

SUBJECT: Janitorial Services IFB Contract Award Recommendation

RECOMMENDATION:

Based upon the discussion that follows, staff recommends that the Board authorize the General Manager to execute a three-year base janitorial services contract with JaniCare for an estimated total dollar value of \$162,924* with two one-year contract options for an estimated dollar amount of \$55,188* (option year 1) and \$55,320* (option year 2).

DISCUSSION:

PROJECT DESCRIPTION

The janitorial services are for Olive Terminal and the Transit Center. The services consist of typical after-hours custodial work; extra daytime cleanings of public and driver restrooms; periodic custodial services such as carpet and window cleaning; emergency cleaning services; and graffiti removal services in the TC public restrooms. The latter two services would be billed on an hourly basis over and above the fixed monthly fee.

A fee would also be paid to the contractor for managing the consumable supplies inventory (e.g., toilet paper, hand soap) based on the dollar volume of actual purchases. MTD will specify the vendor, products to be ordered, and pay the invoices. The contractor will order, stock, and resupply consumables. This process was initiated in 2008 to give MTD greater cost control without entailing the corresponding staff time for inventory management.

PROJECT JUSTIFICATION & BUDGET

Basic janitorial services for offices, bathrooms, kitchens, public spaces, etc. are a standard and necessary function for maintaining a clean and hygienic environment. Under the proposed contract, janitorial services would be about \$54,300 each year for the three-year base contract period. With a *Contract Maintenance* budget of \$64,296 for the current fiscal year, the contract would provide budget savings.

* The amount is estimated rather than fixed because roughly 10% of the contract is subject to either an hourly rate component for emergency services or a fee-based payment for actual consumable supplies purchased, both discussed later in the report.

SOLICITATION PROCESS

Invitation for Bids— The Invitation for Bids (IFB) was publicly noticed in July, 2016 in the *Ventura County Star* and the *Santa Barbara News-Press*. It was simultaneously emailed to 10 firms indicating interest in the solicitation. A pre-bid conference was attended by four firms. Subsequent questions and requests for clarification resulted in one addendum, and the bid process culminated in the receipt of two proposals by the August, 2016 deadline. The results of the two bids are shown below.

Rank	Bidder	Bid
1	JaniCare	\$273,432.00
2	Big Green Cleaning Company	\$587,796.00

Bid Evaluation—The IFB process dictates that award be made to the lowest bidder found responsive to the solicitation requirements and that it is technically and financially capable of undertaking the project. JaniCare, the low bidder, has been found to be both responsive and responsible. Required forms and certifications were provided, and work and credit references were contacted and found adequate.

Price Analysis—The purpose of the bid process is to secure a competitive market-based price. Regardless, some level of price analysis is appropriate and necessary under MTD and FTA procurement requirements. JaniCare's bid of \$53,868 for the first year is about \$17,000 less than the incumbent's price for the current contract year, which will expire August 31st. The Independent Cost Estimate (ICE) developed for the solicitation used the Consumer Price Index which was applied to the current contract year of the incumbent resulting in a first contract year ICE of \$73,519. That JaniCare's bid is substantially lower than both the contract price for the current year and the ICE for next year does merit consideration. In support of the bid, JaniCare was at the pre-bid meeting for this project and toured the facilities. It is a Goleta firm with many janitorial service contracts and is thus experienced at pricing jobs. Also, it bid with knowledge of the incumbent's current pricing. From this perspective, JaniCare bid in a competitive environment and its bid is considered fair and reasonable.

CONTRACT EXECUTION

If contract award is authorized by the Board, staff will issue JaniCare a "Notification of Contingent Award" indicating MTD's intent to execute a contract for the Janitorial Services IFB contingent upon receipt of required certificates of insurance. Once required documents are received MTD's General Manager, Jerry Estrada, will execute the contract with JaniCare.

Santa Barbara Metropolitan Transit District

Janitorial Services

MASTER AGREEMENT with JANICARE

THIS AGREEMENT is entered into by and between Santa Barbara Metropolitan Transit District, an incorporated transit district under Sections 95000, et seq. of the California Public Utilities Code ("MTD"), and JaniCare, a California Corporation ("Contractor"), at Santa Barbara, California, as of the later date set forth below the signatures executing this Agreement.

WHEREAS:

- A. MTD desires to engage Contractor to provide janitorial services at all MTD facilities for a three-year base period and options for two, one-year extensions (the "Project");
- B. Contractor represents that it has the knowledge and experience to carry out the Project, and desires to carry out the Project pursuant to the terms and conditions hereof, and;
- C. Based upon the representations made by Contractor, MTD desires to retain the services of Contractor to carry out the aforesaid Project, upon the within terms and conditions.

NOW, THEREFORE, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties do hereby agree as follows:

- 1. Effect of Recitals. The foregoing recitals are hereby made express provisions of this Agreement.
- 2. FTA Provisions. The Project is funded in part by the Federal Transit Administration of the U.S. Department of Transportation and, as such, this Agreement is subject to the terms and conditions contained in *Federal Transit Administration Contract Provisions* which is attached hereto as Exhibit "A" and incorporated herein by this reference.
- 3. Public Works Provisions. Not applicable to this agreement.
- 4. Statement of Work. MTD has heretofore issued on July 12, 2016, as amended by addendum 1 issued July 29, 2016, the statement of work contained in Invitation for Bids (IFB) Janitorial Services, a true copy of which is attached hereto as Exhibit "B" and incorporated herein by this reference.
- 5. Bid. Contractor has heretofore submitted on August 3, 2016 a bid to carry out the Project, true copies of relevant parts that are attached hereto as Exhibit "C" and incorporated herein by this reference.
- 6. Order of Control. Contractor shall carry out the Project described in Exhibit "B" to this Agreement for the price quoted in Exhibit "C". All work and services shall be performed according to and controlled by the terms and provisions of this Agreement and the exhibits attached hereto. In the event of any conflict between the contract documents, the following order of control shall prevail: MTD Master Agreement, Exhibit "A", Exhibit "B", Exhibit "C".
- 7. Contract Price. Contractor shall carry out the Project for the monthly fixed fees, consumable supplies management fees and hourly labor rates in accordance with Exhibit "C" for each Contract Year and, if applicable, Option Year.
- 8. Payment. Contractor shall submit an invoice to MTD at the beginning of each month that includes the monthly fixed fee for the prior month, the labor fee for actual hours incurred in the prior month, and the consumable supplies management fee based on actual consumable supplies purchased in the prior month, each calculated as stipulated in the Statement of Work. Payment from MTD shall be made to Contractor no later than thirty (30) days after receipt of a valid invoice which shall be sent to: Santa Barbara MTD, Attn: Accounts Payable, 550 Olive Street, Santa Barbara, CA 93101.
- 9. Taxes. MTD is exempt from the payment of Federal Excise and Transportation taxes. Unless specified otherwise in the Agreement, MTD is subject to applicable California Sales Tax for Santa Barbara County which shall have been included in the Contractor's bid price and shall be included on the Contractor's invoice.

10. Project Schedule. Contractor shall carry out the Project for a three-year period beginning September 1, 2016 through September 2, 2019 and, if MTD exercises both of the two one-year options, through August 31, 2021. To accommodate weekends and holidays each contract year shall be identified as follows:

September 1, 2016 through August 31, 2017
September 1, 2017 through September 3, 2018
September 4, 2018 through September 2, 2019
September 3, 2019 through August 31, 2020 (if the option is exercised by MTD)
September 1, 2020 through August 31, 2021 (if the option is exercised by MTD)

11. Delivery & Freight. Unless specified otherwise in the statement of work, any item provided under this Agreement shall be delivered FOB Santa Barbara to 550 Olive Street, Santa Barbara, CA 93101. Any Project freight and delivery charges shall have been already included in the Contractor's bid price and shall not be paid otherwise by MTD.

12. Title & Risk of Loss. The Contractor shall have title to and bear the risk of any loss of or damage to any item provided hereunder until delivered and, if applicable pursuant to this Agreement or standard industry practice, installed or otherwise set up for usage. Upon such delivery and applicable installation and setup, title shall pass from the Contractor to MTD, and the Contractor's responsibility for loss or damage shall cease, except for loss or damage resulting from the Contractor's negligence. Such passing of title shall not constitute acceptance of an item by MTD. The Contractor shall further warrant that the title to any item provided hereunder is free from all claims, encumbrances and liens.

13. Damages. All losses or damages arising from any unforeseen circumstances, either natural or artificial, which may be encountered by the Contractor during the performance of the Project under this Agreement shall be sustained solely by the Contractor. This provision shall also apply to losses or damages resulting from any act or omission not authorized by this Agreement on the part of the Contractor or any agent or person employed by the Contractor.

14. Defective, Damaged or Noncompliant Work. Any items, services, work or systems acquired pursuant to this Agreement found to be defective, damaged or non-compliant with the statement of work at the time of delivery or installation shall be replaced by the Contractor without additional cost to MTD. If the Contractor should fail to promptly comply with any order to replace or repair any defective items, services, work or systems, MTD shall have the authority to deduct the cost of such replacement or repair from any compensation due or to become due to the Contractor. Nothing in this section shall limit or restrict any warranty provisions of this Agreement or any exhibits hereto.

15. Acceptance. All items or services to be furnished by the Contractor pursuant to this Agreement shall be subject to acceptance by MTD. MTD shall inspect such deliverables to determine acceptability no later than five (5) calendar days after said deliverables are received and, if applicable under the Agreement or standard industry practice, installed or otherwise set up for usage. Acceptance shall occur when it is determined by MTD that all item or services provided pursuant to this Agreement are in compliance with the statement of work or any other applicable contract documents. Upon acceptance, formal notification thereof shall be made by MTD via notice to the Contractor.

16. Warranty. Not applicable to this contract.

17. Changes. Any changes or modifications to this Agreement must be in writing, and agreed to by both parties.

18. Insurance.

a. Contractor's Insurance Representations to MTD.

i. It is expressly understood and agreed that the insurance coverages required herein:

A. represent MTD's minimum requirements and are not to be construed to void or limit Contractor's indemnity obligations as contained in this Agreement nor represent in any manner a determination of the insurance coverages Contractor should or should not maintain for its own protection; and

B. are being, or have been, obtained by Contractor in support of Contractor's liability and indemnity obligations under this Agreement. Irrespective of the requirements as to insurance to be carried as provided for herein, the insolvency, bankruptcy, or failure of any insurance company carrying insurance of Contractor, or the failure of any insurance company to pay claims accruing, shall not be held to affect, negate, or waive any of the provisions of this Agreement.

ii. Failure to obtain and maintain the required insurance shall constitute a material breach of, and default under this Contract. If Contractor shall fail to remedy such breach within five (5) business days after written notice by MTD, Contractor will be liable for any and all costs, liabilities, damages and penalties resulting to MTD from such breach, unless a written waiver of the specific insurance requirement(s) is provided to Contractor by MTD. In the event of any failure to Contractor to comply with the provisions of this portion of the Agreement, MTD may, without in any way compromising or waiving any right or remedy at law or in equity, on notice to Contractor, purchase such insurance, at Contractor's expense, provided that MTD shall have no obligation to do so and if MTD shall do so, Contractor shall not be relieved of or excused from the obligation to obtain and maintain such insurance amounts and coverages.

b. Conditions Affecting All Insurance Required Herein.

i. Cost of Insurance. All insurance coverage shall be provided at Contractor's sole expense.

ii. Maintenance of Insurance. All insurance coverage shall be maintained in effect with limits not less than those set forth below at all times during the term of this Agreement.

iii. Status and Rating of Insurance Company. All insurance coverage shall be written through insurance companies admitted to do business in California and with a Best's Financial Strength Rating of A- or better, as shown in the on-line version of Best's Rating & Criteria Center.

iv. Restrictive, Limiting, or Exclusionary Endorsements. All insurance coverage shall be provided to Contractor Parties in compliance with the requirements herein and shall contain no endorsements that restrict, limit, or exclude coverage in any manner without the prior express written approval of MTD.

v. Limits of Liability. The limits of liability may be provided by a single policy of insurance or by a combination of primary and umbrella policies, but in no event shall the total limits of liability available for any one occurrence or accident be less than the amount required herein.

vi. Notice of Cancellation, Nonrenewal, or Material Reduction in Coverage. In the event of cancellation, nonrenewal, or material reduction in coverage affecting the certificate holder, thirty (30) days prior written notice shall be given to the certificate holder by certified mail, return receipt requested, except in the event of cancellation for nonpayment, in which event fifteen (15) days prior written notice shall be given. If insurer will not include in its coverage such written notifications, it shall be incumbent upon Contractor to comply with such written notification requirements.

vii. Additional Insured Status. Additional insured status shall be provided in favor of MTD and its officers, employees and agents, including consultants, on all liability insurance required herein except workers' compensation/employer's liability and the certificate of insurance shall reflect same. Such additional insured coverage shall be primary to and shall seek no contribution from all insurance available to MTD, with MTD's insurance being excess, secondary, and noncontributing.

viii. Waiver of Subrogation. All insurance coverage carried by Contractor required herein shall provide a waiver of subrogation in favor of MTD for all loss covered by such insurance, and Contractor waives all rights of action against MTD for such loss.

ix. Primary Liability. All insurance coverage required herein shall be primary to and shall seek no contribution from all insurance available to MTD, with MTD's insurance being excess, secondary, and noncontributing. Where necessary, coverage shall be endorsed to provide such primary liability, and the certificate of insurance shall reflect same.

x. Deductible/Retention. All insurance required for this project shall have a maximum deductible or self-insured retention of \$10,000 per policy.

xi. Claims Against Aggregate. MTD must be notified in writing by Contractor at MTD's address set forth herein immediately upon knowledge of possible claims against Contractor that might cause a reduction below seventy-five (75%) of any aggregate limit of any primary policy.

c. Commercial General Liability Insurance.

i. Coverage. Such insurance shall cover liability arising out of all locations and operations of Contractor, including but not limited to liability assumed under this Agreement (including the tort liability of another assumed in a business contract). Defense shall be provided as an additional benefit and not included within the limit of liability.

ii. Form. Commercial General Liability Occurrence form, at least as broad as an unmodified ISO CG 00 01 10 93 or its equivalent.

iii. Amount of Insurance. Coverage shall be provided with limits of not less than:

A. Each Occurrence Limit	\$1,000,000
B. General Aggregate Limit	\$2,000,000
C. Product-Completed Operations Aggregate Limit	\$2,000,000
D. Personal and Advertising Injury Limits	\$1,000,000
E. Fire Damage (any one fire)	\$50,000
F. Medical Expense (any one person)	\$5,000

iv. Required Endorsements.

A. Additional Insured status as required in 18(b)(vii), above.

B. Notice of Cancellation, Nonrenewal, or Material Reduction in Coverage, as required in 18(b)(vi), above.

C. Personal Injury Liability: The personal injury contractual liability exclusion shall be deleted.

D. Primary Liability, as required in 18(b)(ix), above.

E. Waiver of Subrogation, as required in 18(b)(viii), above.

F. Continuing Commercial General Liability Insurance: Contractor shall maintain such insurance in identical coverage, form, and amount, including required endorsements, for at least three (3) years following the final date of acceptance by MTD of any items or services provided pursuant to this Agreement.

d. Auto Liability Insurance.

i. Coverage. Such insurance shall cover liability arising out of any auto (including owned, hired, and non-owned).

ii. Form. Business Auto Form (at least as broad as an unmodified ISO CA 0001 or its equivalent).

iii. Amount of Insurance. Coverage shall be provided with a limit of not less than \$1,000,000, combined single limit.

iv. Required Endorsements.

A. Additional Insured status as required in 18(b)(vii), above.

B. Notice of Cancellation, Nonrenewal, or Material Reduction in Coverage, as required in 18(b)(vi), above.

C. Waiver of Subrogation, as required in 18(b)(viii), above.

e. Workers' Compensation/Employer's Liability Insurance.

i. Coverage. Such insurance shall cover liability arising out of Contractor's employment of workers and anyone for whom Contractor may be liable for workers' compensation claims. Workers' compensation insurance is required, and no "alternative" forms of insurance shall be permitted.

ii. Amount of Insurance. Coverage shall be provided with a limit of not less than:

A. Workers' Compensation:	Statutory limits
B. Employer's Liability:	\$1,000,000 each accident and disease.

iii. Required Endorsements.

A. Notice of Cancellation, Nonrenewal, or Material Reduction in Coverage, as required in 18(b)(vi), above.

B. Waiver of Subrogation, as required in 18(b)(viii), above.

f. Other Insurance. MTD shall have the right, exercisable in its sole judgment at any time by giving prior written notice thereof to Contractor, to require Contractor to increase the limit and coverage amount of any insurance Contractor is required to maintain pursuant to this Agreement to an amount that MTD may, in its sole judgment, deem reasonably sufficient; and purchase other insurance and/or endorsement in such amounts or types as MTD may reasonably require from time to time.

19. Bonding. Not applicable to this contract.

20. Termination. For applicable terms, refer to Paragraph 21 (Termination) in *Federal Transit Administration: Contract Provisions* which is attached hereto as Exhibit "A".

21. Liquidated Damages. Not applicable to this agreement.

22. Infringement of Patents. Not applicable to this agreement.

23. Rights in Data. Not applicable to this agreement.

24. Indemnification. The Contractor shall, to the extent permitted by law protect, indemnify, defend, and hold MTD and its officers, employees and agents, including consultants, harmless from and against any and all liabilities, damages, claims, demands, liens, encumbrances, judgments, awards, losses, costs, expenses, and suits or actions or proceedings, including reasonable expenses, costs and attorneys' fees incurred by MTD and its officers, employees and agents, including consultants, in the defense, settlement or satisfaction thereof, for any injury, death, loss or damage to persons or property of any kind whatsoever, arising out of, or resulting from, the acts, errors or omissions of the Contractor, including acts, errors or omissions of its officers, employees, servants, agents, subcontractors and suppliers; and upon receipt of notice and if given authority, shall settle at its own expense or undertake at its own expense the defense of any such suit, action or proceeding, including appeals, against the MTD and its officers, employees and agents, including consultants, relating to such injury, death, loss or damage. Each party shall promptly notify the other in writing of the notice or assertion of any claim, demand, lien, encumbrance, judgment, award, suit, action or other proceeding hereunder. The Contractor shall have sole charge and direction of the defense of such suit, action or proceeding. The MTD shall not make any admission which might be materially prejudicial to the Contractor unless the Contractor has failed to take over the conduct of any negotiations or defense within a reasonable time after receipt of the notice and authority above provided. The MTD shall at the request of the Contractor furnish to the Contractor all reasonable assistance that may be necessary for the purpose of defending such suit, action or proceeding, and shall be repaid all reasonable costs incurred in doing so. The MTD shall have the right to be represented therein by advisory counsel of its own selection at its own expense. The obligations of the Contractor under this clause shall not extend to circumstances where the injury, or death, or damages is caused solely by the negligent acts, errors or omissions of the MTD, its officers, employees, agents or consultants, including negligence in the preparation of the Contract documents, or the giving of directions or instructions with respect to the requirements of the Contract by written order.

25. Notice. Notices in connection with this Agreement shall be made in writing and may be delivered either personally, by governmental postal service (regular, certified or registered), by private delivery service, or by email. Receipt shall be deemed to have occurred when actually made to the party or its designated agent. Such notices shall be properly addressed to the intended party as follows:

MTD:

Jerry Estrada, General Manager
Santa Barbara Metropolitan Transit District
550 Olive Street
Santa Barbara, CA 93101
Email: jestrada@sbmtbd.gov

CONTRACTOR:

Dwayne Walker, Vice President
JaniCare
100 Adams Road, Suite A
Goleta, CA 93117
Email: dwayne@janicare.com

26. Attorney Fees and Costs. In the event of a controversy (including, but not limited to arbitration or an criminal or civil filing in a Federal Court or a court of any of the United States) between the parties with respect to the enforcement or interpretation of this Agreement, the prevailing party in such controversy shall be entitled to receive, in addition to such other award as the court may deem appropriate, full reimbursement for its court costs and reasonable attorney fees incurred therein.

27. Negation of Partnership. This Agreement creates a relationship between two independent contractors and does not, nor may it be interpreted to, create the relationship of joint venturers, partners, employee/employer, or any other business relationship.

28. No Assignment. This Agreement is not assignable by either party, and any attempt by either party to assign its obligations hereunder shall be void ab initio at the election of the other party, which election may be made by written notice within ten (10) days of the non-assigning party's receipt of actual knowledge of such attempted assignment. Notwithstanding the foregoing, however, at the election of the other party, the obligations and burdens of a party shall bind and apply to any permitted successor in interest or assignee of the business and/or operations of a party.

29. Partial Invalidity. In the event that any portion of this Agreement or any provision hereof shall be deemed as invalid as contrary to applicable law, the balance of this Agreement shall be enforced according to its term, and that portion found unenforceable shall be interpreted and enforced to the extent that it may be within said applicable laws.

30. Disputes. This Agreement shall be construed and all disputes arising therefrom shall be settled in accordance with the laws of the State of California. Venue for any dispute arising under this Agreement shall be in Santa Barbara, California. Any controversy or claim arising out of or relating to this Agreement shall be resolved by binding arbitration before a single arbitrator in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA") then pertaining (available at www.adr.org), except where those rules conflict with this provision, in which case this provision controls. Any court with jurisdiction shall enforce this clause and enter judgment on any award. The arbitrator shall be selected within twenty business days from commencement of the arbitration from the AAA's National Roster of Arbitrators pursuant to agreement or through selection procedures administered by the AAA. Within 45 days of initiation of arbitration, the Parties shall reach agreement upon and thereafter follow procedures, including reasonable limits on discovery, assuring that the arbitration will be concluded and the award rendered within no more than eight months from selection of the arbitrator or, failing agreement, procedures meeting such time limits will be designed by the AAA and adhered to by the Parties. The arbitration shall be held in Santa Barbara, California and the arbitrator shall apply the substantive law of California, except that the interpretation and enforcement of this arbitration provision shall be governed by the Federal Arbitration Act. Prior to commencement of arbitration, emergency relief is available from any court to avoid irreparable harm. THE ARBITRATOR SHALL NOT AWARD EITHER PARTY PUNITIVE, EXEMPLARY, MULTIPLIED OR CONSEQUENTIAL DAMAGES. Prior to commencement of arbitration, however, the Parties must attempt to mediate their dispute using a professional mediator from AAA, the CPR Institute for Dispute Resolution, or like organization selected by agreement or, absent agreement, through selection procedures administered by the AAA. Within a period of 45 days after the request for mediation, the Parties agree to convene with the mediator, with business representatives present, for at least one session to attempt to resolve the matter. In no event will mediation delay commencement of the arbitration for more than 45 days absent agreement of the Parties or interfere with the availability of emergency relief.

31. Prohibited Interest. The parties hereto covenant and agree that to their knowledge no board member, officer, or employee of MTD, during his/her tenure or for one year thereafter, has any interest, whether contractual, non contractual, financial or otherwise, in this transaction, or in the business of a contracting party other than MTD. If any such interest comes to the knowledge of either party at any time, a full and complete disclosure of all such information will be made in writing to the other parties, even if such interest would not be considered a conflict of interest under Article 4, Chapter 1, Divisions 4 and 4.5, Title I of the Government Code of the State of California.

32. Compliance with Laws and Regulations. Contractor shall warrant that in the performance of work under contract to MTD that they shall comply with all applicable federal, state and local laws and ordinances, and all lawful orders, rules, and regulations thereunder.

33. Audit and Inspection of Records. The Contractor shall agree that all materials supplied and services performed under the Project, facilities used in connection therewith, and records and documentation thereunto appertaining shall be subject to inspection, test, or audit by duly authorized representatives of MTD and the State of California. The Contractor agrees to maintain all required records relating to the Project for at least three years after MTD makes final payment and all other pending matters are closed.

34. Equal Employment Opportunity. For applicable terms, refer to Paragraph 24 (Civil Rights Requirements) in *Federal Transit Administration Contract Provisions* which is attached hereto as Exhibit "A".

35. Entire Agreement. This Agreement and its attached exhibits constitute the entire agreement between the parties and shall be deemed to supersede and cancel any and all previous representations, understandings, or agreements between MTD and Contractor as to the subject matter hereof. This Agreement may only be amended by an instrument in writing signed by the parties.

36. No Waiver. The failure of either party at any time to require performance by the other party of any provision of this Agreement shall in no way affect that party's right to enforce such provisions, nor shall the waiver by either party of any breach of any provision of this Agreement be taken or held to be a waiver of any further breach of the same provision.

37. Counterparts & Email. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement. The parties agree that a scanned and emailed signature may substitute for and have the same legal effect as the original signature.

38. Qualifications. Contractor or Contractor's representative (Contractor) certifies that Contractor is qualified to do business and is in good standing in the State of California, and that Contractor has authority to enter into and perform its obligations under this Agreement, which constitutes a valid and binding obligation of Contractor.

IN WITNESS WHEREOF, the undersigned have caused this Agreement to be executed.

This Page Intentionally Left Blank

1. **FLY AMERICA REQUIREMENTS—NOT APPLICABLE TO THIS CONTRACT**
2. **BUY AMERICA REQUIREMENTS—NOT APPLICABLE TO THIS CONTRACT**
3. **CHARTER BUS & SCHOOL BUS REQUIREMENTS—NOT APPLICABLE TO THIS CONTRACT**
4. **CARGO PREFERENCE REQUIREMENTS—NOT APPLICABLE TO THIS CONTRACT**
5. **SEISMIC SAFETY REQUIREMENTS—NOT APPLICABLE TO THIS CONTRACT**
6. **ENERGY CONSERVATION REQUIREMENTS**

The Contractor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act. The Contractor agrees to include the requirements of this section in all subcontracts.

7. CLEAN WATER REQUIREMENTS

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq. The Contractor agrees to report each violation to the Purchaser and understands and agrees that the Purchaser will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office. The Contractor also agrees to include these requirements in each subcontract exceeding \$100,000.

8. BUS TESTING—NOT APPLICABLE TO THIS CONTRACT

9. PRE-AWARD & POST-DELIVERY AUDIT REQUIREMENTS—NOT APPLICABLE TO THIS CONTRACT

10. LOBBYING

The Contractor certifies, to the best of his or her knowledge and belief, that:

(a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for making lobbying contacts to an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, or cooperative agreement, the undersigned shall complete and submit Standard Form--LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions [as amended by "Government wide Guidance for New Restrictions on Lobbying," 61 Fed. Reg. 1413 (1/19/96). Note: Language in paragraph (b) herein has been modified in accordance with Section 10 of the Lobbying Disclosure Act of 1995 (P.L. 104-65, to be codified at 2 U.S.C. 1601, et seq.)]

(c) The Contractor shall require that the language of this certification be included in the award documents for all subawards exceeding \$100,000 at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000

and not more than \$100,000 for each such failure. [Note: Pursuant to 31 U.S.C. § 1352(c)(1)-(2)(A), any person who makes a prohibited expenditure or fails to file or amend a required certification or disclosure form shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure or failure.] Contractor certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, Contractor understands and agrees that the provisions of 31 U.S.C. A 3801, et seq., apply to this certification and disclosure.

[Note: The Contractor shall have previously submitted to MTD a separately signed Lobbying Certification containing the above language for itself and any subcontracts exceeding \$100,000 as a condition of contract award.]

11. ACCESS TO RECORDS & REPORTS

(a) The Contractor agrees to provide MTD, the FTA Administrator, the Comptroller General of the United States or any of their authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions. Contractor also agrees, pursuant to 49 CFR 633.17 to provide the FTA Administrator or his authorized representatives including any PMO Contractor access to Contractor's records and construction sites pertaining to a major capital project, defined at 49 U.S.C. 5302(a)1, which is receiving federal financial assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311.

(b) If contract is for a capital project or improvement (defined at 49 U.S.C. 5302(a)1) through other than competitive bidding, the Contractor shall make available records related to the contract to MTD, the Secretary of Transportation and the Comptroller General or any authorized officer or employee of any of them for the purposes of conducting an audit and inspection.

(c) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

(d) The Contractor agrees to maintain all books, records, accounts and reports required under this contract for a period of not less than three years after the date of termination or expiration of this contract, except in the event of litigation or settlement of claims arising from the performance of this contract, in which case Contractor agrees to maintain same until MTD, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto. Reference 49 CFR 18.39(i)(11).

12. FEDERAL CHANGES

The Contractor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between MTD and FTA, as they may be amended or promulgated from time to time during the term of this contract. Contractor's failure to so comply shall constitute a material breach of this contract.

13. BONDING REQUIREMENTS—NOT APPLICABLE TO THIS CONTRACT

14. CLEAN AIR

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. The Contractor agrees to report each violation to the Purchaser and understands and agrees that the Purchaser will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office. The Contractor also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA.

15. RECYCLED PRODUCTS—NOT APPLICABLE TO THIS CONTRACT**16. DAVIS-BACON & COPELAND ANTI-KICKBACK ACTS—NOT APPLICABLE TO THIS CONTRACT****17. CONTRACT WORK HOURS & SAFETY STANDARDS ACT—NOT APPLICABLE TO THIS CONTRACT****18. [RESERVED]****19. NO GOVERNMENT OBLIGATIONS TO THIRD PARTIES**

(a) MTD and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to MTD, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

(b) The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

20. PROGRAM FRAUD & FALSE OR FRAUDULENT STATEMENTS & RELATED ACTS

a) The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.

(b) The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

(c) The Contractor agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

21. TERMINATION

(a) Termination for Convenience: MTD, by written notice, may terminate this contract, in whole or in part, when it is in the Government's interest. If this contract is terminated, MTD shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination.

(b) Termination for Default

(1) If the Contractor fails to perform the services, within the time specified in this contract or any extension or if the Contractor fails to comply with any other provisions of this contract, MTD may terminate this contract for default. MTD shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of default. The Contractor will only be paid the contract price for services performed in accordance with the manner of performance set forth in this contract.

(2) If this contract is terminated while the Contractor has possession of MTD goods, the Contractor shall, upon direction of MTD, protect and preserve the goods until surrendered to MTD or its agent. The Contractor and MTD shall agree on payment for the preservation and protection of goods. Failure to agree on an amount will be resolved under the Dispute clause.

(3) If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, the rights and obligations of parties shall be the same as if the termination had been issued for the convenience of MTD.

22. GOVERNMENT-WIDE DEBARMENT & SUSPENSION

This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the Contractor is required to verify that none of the Contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945. The Contractor is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into. By signing and submitting its bid or proposal, the bidder or proposer certifies as follows: The certification in this clause is a material representation of fact relied upon by MTD. If it is later determined that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to MTD, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

23. PRIVACY ACT—NOT APPLICABLE TO THIS CONTRACT

24. CIVIL RIGHTS REQUIREMENTS

(a) Nondiscrimination: In accordance with Title VI of the Civil Rights Act, as amended, 42 U.S.C. § 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, national origin, sex, age, or disability. In addition, the Contractor agrees to comply with applicable Federal implementing regulations and other implementing requirements FTA may issue.

(b) Equal Employment Opportunity: The following equal employment opportunity requirements apply to the underlying contract:

(1) Race, Color, Creed, National Origin, Sex: In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal transit laws at 49 U.S.C. § 5332, the Contractor agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 CFR Parts 60 et seq., (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect construction activities undertaken in the course of the Project. The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.

(2) Age: In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § § 623 and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees to

refrain from discrimination against present and prospective employees for reason of age. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.

(3) Disabilities: In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. § 12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 CFR Part 1630, pertaining to employment of persons with disabilities. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.

The Contractor agrees to include these requirements in each subcontract financed in whole or in part with Federal assistance provided by FTA, modified only if necessary to identify the affected parties.

25. BREACHES & DISPUTE RESOLUTION

Paragraph 30 of the *MTD Master Agreement* regarding disputes shall be deemed satisfactory to meet the federal requirements for dispute resolution. The Contractor agrees to include the requirements of said Paragraph 30 in all subcontracts.

26. PATENT & RIGHTS IN DATA—NOT APPLICABLE TO THIS CONTRACT

27. TRANSIT EMPLOYEE PROTECTIVE AGREEMENTS—NOT APPLICABLE TO THIS CONTRACT

28. DISADVANTAGED BUSINESS ENTERPRISE (DBE)

(a) This contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs. The national goal for participation of Disadvantaged Business Enterprises (DBE) is 10%. MTD's overall goal for DBE participation is 2.9%. A separate contract goal has not been established for this procurement.

(b) The Contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of this DOT-assisted contract. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as MTD deems appropriate. Each subcontract the Contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).

(c) The successful bidder/offeror will be required to report its DBE participation obtained through race-neutral means throughout the period of performance.

(d) The Contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work no later than 30 days after the Contractor's receipt of payment for that work from the MTD. In addition, the Contractor may not hold retainage from its subcontractors.

(e) Contractor must promptly notify MTD whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. The Contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of MTD.

29. [RESERVED]

30. INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS

The preceding provisions include, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1E, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a

conflict with other provisions contained in this Agreement. The Contractor shall not perform any act, fail to perform any act, or refuse to comply with any MTD requests which would cause MTD to be in violation of the FTA terms and conditions. The Contractor agrees to include the requirements of this section in all subcontracts.

31. DRUG & ALCOHOL TESTING—NOT APPLICABLE TO THIS CONTRACT

32. INTELLIGENT TRANSPORTATION SYSTEM (ITS) —NOT APPLICABLE TO THIS CONTRACT

EXHIBIT B

SANTA BARBARA METROPOLITAN TRANSIT DISTRICT

JANITORIAL SERVICES

STATEMENT OF WORK (Revised July 29, 2016)

I. LOCATIONS

The locations to be provided janitorial services under this Statement of Work (SOW) include three buildings at the two following addresses and include approximately 21,540 square feet broken down as indicated below:

Olive Terminal (2 buildings)
550 Olive Street
Santa Barbara, CA 93101

Transit Center (1 building)
1020 Chapala Street
Santa Barbara, CA 93101

A. Olive Terminal—The Olive Terminal is composed of the majority of the city block on the “eastside” of Santa Barbara defined by Olive, Cota, Salsipuedes, and Haley streets. Areas to be serviced include two separate buildings: one, the interior of the two-story Administration Building (14,000 sq. ft.) adjacent to Olive Street (plus the two garbage receptacles outside the building); and two, the specified office, lounge, and bathroom areas of the Maintenance Building (900 sq. ft.) located at the corner of Salsipuedes Street and Cota Street. Attached as Appendix A is an Olive Terminal site plan showing the general areas subject to this SOW.

B. Transit Center—The Transit Center (TC) is located in downtown Santa Barbara on Chapala Street across the street from Ralph’s supermarket. Areas to be serviced include the full interior (4,400 sq. ft.) as well as the exterior passenger waiting area (2,240 sq. ft.) defined by the sidewalk directly surrounding the building. Attached as Appendix B is a Transit Center site plan showing the general areas subject to this SOW.

II. SCHEDULE

Performance of the janitorial services described herein shall be performed during the period September 1, 2016 through September 2, 2019 with two one-year options for the periods September 3, 2019 through August 31, 2020 and September 1, 2020 through August 31, 2021. The janitorial services shall be performed according to the schedules specified in this section and in the attached Appendices C, D and E. All night services at the Olive Terminal shall be completed no later than midnight except on Sundays when services shall be completed no later than 11 PM. All night services at the Transit Center shall be completed no later than 10 PM.

A. Olive Terminal – Administration Building—Office areas and associated restrooms shall be serviced once each weekday—other than staff holidays—no sooner than 6 PM. Staff holidays are New Year’s Day, Martin Luther King Day, President’s Day, Memorial Day, the 4th of July, Labor Day, Thanksgiving Day, the day after Thanksgiving, Christmas Eve, and Christmas Day. Areas frequented by bus drivers (e.g. restrooms, lounge/kitchen, locker room) shall be serviced no sooner than 10 PM each day that bus service is provided (all but Thanksgiving and Christmas days). The driver restrooms—excluding the showers—shall be serviced **one additional** time each bus service day between 11 AM and 1 PM. The fare counting room adjacent to the drivers’ room may also require service, but special security considerations apply. This room shall not be serviced at night. Between 11 AM and 1 PM, the janitor shall knock on the door of the fare counting room to ask the Farebox Technician if service can be performed and, if authorized by the Technician, perform specified services. If there is no answer or the Technician does not authorize service, no service is required that day. Appendices F and G contain detailed floor plans of both floors of the Administration building with color coding of each room by schedule. Rooms that shall not be provided janitorial services are also identified. These include various closets and storage areas, the data server room, and an electrical room.

B. Olive Terminal – Maintenance Building—The three staff offices and unisex restroom in the Maintenance Building shall be serviced once each non-holiday weekday no sooner than 10 PM. Areas frequented by mechanics (e.g. restrooms, lounge/kitchen, locker room) shall be serviced no sooner than 10 PM each day that

bus service is provided (all but Thanksgiving and Christmas days). The shop restroom and locker area—excluding the shower—shall be serviced **one additional** time each bus service day between 11 AM and 1 PM. Appendix H contains a detailed floor plan of the Maintenance Building with color coding of each area by schedule. Areas that shall not be provided janitorial services are also identified. These include the shop floor, the parts room (with the exception of the area around the two desks in the parts room), and the electrical room.

C. Transit Center – Interior—The internal passenger waiting area and the Customer Service Representative (CSR) area shall be serviced no sooner than 7 PM each day that bus service is provided (all but Thanksgiving and Christmas days). The public restrooms and driver's unisex bathrooms shall be serviced **two additional** times each bus service day: between 9:30 AM and 10:30 AM and between 3:00 PM and 4:00 PM on weekdays; and between 10:00 AM and 11:00 AM and between 2:00 PM and 3:00 PM on weekends. Appendix I contains a detailed floor plan of the Transit Center building with color coding of each area by schedule.

D. Transit Center – Exterior—The external passenger waiting area composed of the raised sidewalk area surrounding the TC building shall be serviced no sooner than 8 PM each day that bus service is provided (all but Thanksgiving and Christmas days). Appendix B contains a Transit Center site plan that delineates that sidewalk area—which includes the garbage and recyclable receptacles thereon—subject to janitorial services.

III. SERVICE TASKS

A. Task Listings & Schedules—The janitorial services provided under this SOW are detailed by task type, frequency and location in Appendices C, D and E respectively.

B. Extra Bathroom Service—*Section II: Schedule* above specified that certain bathrooms will be serviced more than once daily. During these extra daytime-hour cleanings, the bathrooms shall receive the full complement of daily services that are carried out during the normal nighttime service. Note that these service tasks are highlighted in yellow in the task listing in Appendix C.

C. Bathroom Graffiti Removal—All restrooms, particularly the public restrooms at the Transit Center, are subject to being marked up with graffiti on a daily basis. The janitorial services provided under this SOW shall include removal of such graffiti on an as needed basis immediately as it is discovered. If graffiti removal requires less than 15 minutes of total time during the three daily visits, it shall be included as part of the fixed-price monthly service. Graffiti removal time in excess of 15 minutes per day will be billable in 15 minute intervals. MTD estimates that 15 billable hours per month will be incurred by the Contractor. Note that MTD shall provide the graffiti removal cleanser, which will be stored in the TC and Olive Terminal janitorial closets.

D. Emergency Services—The janitorial services provided under this SOW shall include being on call for emergency services at both the Olive Terminal and the Transit Center between the hours of 6:00 AM and 7:00 PM on weekdays, 8:00 AM to 6:00 PM on Saturdays, and 9:00 AM to 6:00 PM on Sundays on each day that bus service is provided (all but Thanksgiving and Christmas days). Contractor shall respond to such calls within 30 minutes. MTD will pay a one-hour minimum with additional billable time in 15 minute intervals. The Contractor hourly rate shall incorporate all costs including supplies and travel time, which shall not be billed separately. MTD estimates that 5 billable hours per month will be incurred by the Contractor.

E. Garbage & Recyclables Disposal—MTD lines all garbage receptacles and non-office recyclable receptacles and provides a recyclable receptacle adjacent to most refuse cans (excluding restrooms). Contractor shall be responsible for emptying receptacles and disposing of such garbage/recyclables as stipulated in the following:

- Receptacles include all those in the areas subject to janitorial services as described in *Section I: Locations* and Appendices C, D and E. Note that this includes all exterior receptacles at the Transit Center and the two exterior garbage receptacles at the front and rear entrances of the Administration Building (including the ash tray on top of the front entrance receptacle). This also includes two receptacles on the front patio

of the Administration Building and the cigarette receptacle in the designated smoking area in the Maintenance yard.

- Garbage shall be emptied from receptacles and disposed of whenever an area receives janitorial services. Recyclables shall be emptied from receptacles and disposed of on an as needed basis except in kitchens/lounges, where they shall be disposed of whenever the room receives janitorial services.
- Liners shall be replaced whenever garbage or recyclables are disposed of in exterior, kitchen/lounge or bathroom receptacles where they shall be replaced as needed and every Friday in all other receptacles.
- Dark, opaque plastic liners shall be used for garbage receptacles; clear liners shall be used for applicable recyclable receptacles. Similar characteristics shall be used for any bulk garbage/recyclable bags.

All Olive Terminal garbage and recyclables shall be disposed of in the appropriate dumpster adjacent to the Fuel Island, as indicated in Appendix A: Olive Terminal Site Plan.

Each night, all Transit Center garbage and recyclables shall be placed inside the Transit Center door facing Chapala Street. Such refuse shall be in securely tied bulk or liner bags with the tied end facing up to prevent fluid leakage. Any leaking bags shall be double-wrapped to eliminate such leaks.

F. Air Fresheners & Batteries—Wall-mounted air freshener devices are maintained in all restrooms. Contractor shall monitor such devices such that the batteries or aerosol cans are replaced as necessary. The unisex driver's restroom at the Transit Center contains a hands-free paper towel dispenser that requires battery replacement, which the Contractor shall also monitor and replace as necessary.

IV. SERVICE STANDARDS & SAFETY

A. Definitions—Definitions are provided for a few terms used in this SOW in order to provide further clarification to applicable service standards:

Dust: To clean a surface free of all dust, dust streaks, lint, cobwebs, and non-adhered dirt. Dust shall be removed rather than stirred up or scattered. It shall be accomplished using microfiber, electrostatic or functionally similar dust cloths or mitts. Feather dusters shall not be used. Dusters with extendable poles made specifically for wall and ceiling dusting shall be used for such surfaces.

Dust-Mop: To clean a floor free of all debris, dust, dust streaks, lint, cobwebs, and non-adhered dirt. Once centralized in piles, debris shall be removed rather than stirred up or scattered. It is accomplished with a cotton or cotton-blend looped industrial dust-mop.

Damp-Mop: To clean a floor so that, when dried, it is free from streaks, smears, dirt residue, shoe marks, standing water and odors. It shall always be preceded by sweeping, vacuuming or dust-mopping the floor, and shall be accomplished with a cotton or cotton-blend looped industrial rag mop.

Disinfect: To clean using a product that contains antimicrobial agents that kill microorganisms. Disinfectant shall be non-caustic or harmful to the floors or fixtures that it is used upon.

Vacuuming: Most flat surfaces shall be vacuumed with a commercial upright vacuum. Corners and baseboards may be vacuumed with a portable type vacuum or attachment.

Deep Clean: To clean grout by hand-scrubbing with a brush and a cleaning agent that does not damage the grout yet removes dirt.

B. Cleaning Standards & Requirements—The performance of all cleaning and servicing shall be carried out in a professional manner in accordance with accepted industry standards. The following list shows standards or tasks that MTD places an emphasis on or requires, regardless of whether considered a typical industry standard.

- Cleaning/disinfecting toilets and urinals shall always include the exterior portion of the fixture with an emphasis on the toilet seat and the top, front and sides of the toilet bowl down to the ground.
- Water/disinfectant solution used for mopping floors shall be changed when “dirty” such that the definition of a damp-mopped floor in the preceding section cannot be met.

- Separate dust mops and mops shall be used for bathrooms. Such implements shall be clearly identified as to its use. Any implement used in the bathroom shall not be used on a non-bathroom floor until or unless laundered or similarly cleaned.
- Once used in a bathroom, a water/disinfectant damp-mopping solution shall never be used for a non-bathroom floor.
- No janitorial services shall be carried out on desktops including electronic or powered office machines including telephones, personal computers, monitors, keyboards, mice, printers, switches, scanners, copiers, fax machines, calculators, projectors, televisions, DVD/CD players, or similar devices.
- An exception to the above is that telephone handsets shall be cleaned and disinfected as stipulated on the task listings in the appendices to this SOW.

C. Safety Standards & Requirements—The performance of all cleaning and servicing under this SOW shall be carried out in a safe and legal manner in accordance with all applicable federal, state and local laws and regulations. The following bulleted items represent MTD safety requirements or tasks that MTD places an emphasis on and requires. It does not and is not meant to represent a full and exhaustive listing of safety standards and requirements applicable to the services being carried out under this SOW.

- “Wet Floor” caution signs, with appropriate symbol and written in both English and Spanish, shall be placed on the floor in any area being damp-mopped until the floor is dried. The two public restrooms at the Transit Center shall be closed to public use during the two cleanings during business hours. All other damp-mopped areas shall remain accessible to MTD personnel during such cleanings at all times.
- All cleaning products shall be used as directed by manufacturer. Concentrated products shall be diluted to the specified ratio; required protective apparatus (e.g., gloves) shall be worn; setting or soaking periods shall be adhered to; and rinsing shall occur if directed.
- A current comprehensive list and three complete hardcopy sets of Material Safety Data Sheets (MSDS) for all appropriate janitorial products shall be provided to a designated MTD employee for inclusion in its applicable MSDS libraries. Applicable MSDS shall be provided to MTD and a receipt of approval from MTD shall be obtained by the Contractor prior to use of each chemical.

D. Work Accountability. The Contractor will be provided with accountability check-off sheets (punch list) which are provided at Appendix J and which individual janitorial personnel will use to indicate work performed on a daily basis. The completed check-off sheets will be certified by a supervisor of the contractor’s employees and submitted weekly to a designated MTD employee. The punch list will remain on the counter top of the reception desk after daily use and a new list will be put into service each week on a day to be specified by MTD. Other instructions regarding use of the punch list and reporting requirements are indicated in Appendix J.

V. JANITORIAL EQUIPMENT & SUPPLIES

A. Contractor-Provided Equipment & Supplies—All janitorial equipment and supplies necessary to carry out this SOW, except those listed in B below, shall be provided by the Contractor. Equipment and supplies shall be maintained in good working condition; cleaned when appropriate; and repaired or replaced when no longer able to effectively carry out its function.

B. MTD-Provided Supplies—MTD shall provide or make available to the Contractor the following items:

Graffiti Remover	Paper Towel Dispenser Batteries
Air Freshener Batteries	Garbage/Recyclable Receptacles (not liners)

C. Equipment & Supplies Storage—MTD shall provide one janitorial closet in the Administration Building and one at the Transit Center (identified on the applicable floor plans in the Appendices). Each closet shall contain shelving and floor space for equipment and supplies; and a janitor’s floor sink with a hot and cold water faucet.

VI. CONSUMABLE SUPPLIES

A. Types—The Contractor shall provide and restock per the task listings in the Appendices the following consumable supplies for bathrooms, kitchens/lounges and garbage/recyclable receptacles:

- Toilet Paper
- Toilet Seat Covers
- Air Freshener Aerosol
- Paper Towels
- Hand Soap
- Receptacle Liners

B. Consumable Ordering—MTD shall provide the Contractor with a listing of consumable supplies by vendor, brand name and product line, which the Contractor shall order, stock and resupply as necessary. It is the intent of MTD to use a single vendor through a governmental contract or schedule for all such supplies in order to secure more favorable pricing. In such case, it will likely be necessary for MTD, as the governmental agency, to directly issue purchase orders to and pay the vendor. Regardless, the Contractor shall retain responsibility for managing the consumable supplies inventory which, if necessary, shall include providing MTD with timely ordering information for purchase orders. For these services, on a monthly basis the Contractor shall be paid a fee that shall be calculated as a fixed percent of the total cost excluding tax and freight, of all applicable consumable supplies invoiced in the prior month, whether ordered or paid directly by MTD or the Contractor. Any consumable supplies invoices paid directly by the Contractor on behalf of MTD shall be reimbursed by MTD to the Contractor at the invoice amount paid by the Contractor.

C. Consumable Storage—As allowed by relevant laws and regulations, consumable supplies may be stored in the janitorial closets identified above in *Paragraph V(C): Equipment & Supplies Storage*. Additional storage for consumable supplies shall be provided in the storage room on the first floor of the Administration Building adjacent to Driver's Lounge (see Appendix F). Such supplies storage shall be strictly limited to the MTD-specified area of this room, as it is primarily used to store non-janitorial supplies. The Contractor shall be responsible for any additionally required off-site storage space needs.

D. Hand Soap—Restrooms at the Transit Center have wall-mounted hand soap dispensers that the Contractor shall refill from bulk product. At this time all wall-recessed dispensers at the Olive Terminal have been discontinued, although this is subject to change. Currently, all bathrooms use bulk wall-mounted soap dispensers.

E. Air Freshener—All restrooms contain one or two battery-operated wall-mounted air freshener dispensers utilizing a 6 ounce aerosol can. Batteries, provided by MTD, shall also be replaced by Contractor as necessary.

F. Receptacle Liners—Liners shall be of the appropriate size and type for the receptacle. Dark, opaque liners shall be used for garbage receptacles; clear liners shall be used for applicable recyclable receptacles. Similar characteristics shall be used for any bulk garbage/recyclable bags. Note that most offices contain blue wastebasket-style recyclable containers that are not and do not need to be lined.

G. Paper Towels—To avoid outages in kitchen areas which experience high usage of paper towels, additional stock will be placed in each kitchen.

VII. CONTRACTOR EMPLOYEE REQUIREMENTS

A. Primary Contact—Contractor shall designate a person that will be the primary single point of contact for all janitorial service-related issues. MTD shall be provided with a telephone number for reaching the primary contact in the event of an emergency. When the primary contact is unavailable for planned absences, MTD shall be provided the name and means to contact the backup single point of contact. The Contractor shall respond within 20 minutes of a call being made by MTD to the designated person, whether direct contact is made or a message is left.

B. Hiring Standards—Given that Contractor employees will have unmonitored access to and be performing unmonitored services in MTD facilities, the Contractor is expected to implement comprehensive hiring and

screening standards. At a minimum, Contractor shall impose the following hiring standards for any Contractor employee provided access to MTD property or performing any services under this SOW on MTD property:

- Legal right to work in the United States
- Ability to speak, understand, read and write English
- Adequate work and personal references for ability and character
- Negative screening for illegal drugs including marijuana metabolites, cocaine metabolites, opiate metabolites, phencyclidine, and amphetamines
- No convictions of unsuitable offenses (e.g., grand theft, burglary, etc.) determined by criminal background check for all felony and misdemeanor convictions

C. Dress & Identification—At all times while on MTD property, Contractor employees shall adhere to the following uniform and attire standards:

- Wear either a company uniform or shirt and photo ID badge that identifies them as employees of the Contractor
- Be appropriately and safely dressed (e.g., no sandals, “tank tops,” or shirt graphics in bad taste)
- Be groomed and follow hygiene practices that adhere to common local standards
- Must wear MTD-provided reflective vest at all times in the bus yard (outdoor area within MTD fences)

D. Code of Conduct—Contractor employees shall conduct themselves in a professional and ethical manner at all times when providing services on MTD property. Certain conduct, including the following, is considered unacceptable and will result in forbidding such employee from carrying out further services on MTD property:

- Theft or unauthorized removal of money or property from MTD, its employees, passengers or anyone else on MTD property.
- Embezzlement, bribery and other similar forms of dishonesty.
- Possession of any dangerous, unauthorized materials, such as explosives, firearms or other similar items on MTD property.
- Gross negligence, gross carelessness, or willful acts, which result in damage to MTD employees, its passengers, or MTD property or equipment.
- Violation of safety or health rules, or engaging in conduct that creates a safety or health hazard.
- Knowingly harboring or refusing treatment of a disease or other physical condition that endangers MTD employees, passengers, or anyone else on MTD property.
- Obscene, abusive, intimidating, disruptive, derogatory, or threatening language or behavior with MTD employees, customers, passengers or anyone else on or adjacent to MTD property.

Following are additional examples of behavior that may result in prohibiting a Contractor employee from carrying out services on MTD property:

- Smoking in prohibited areas*
- Sleeping on the job
- Unauthorized use of MTD telephones
- Failure to display common courtesy
- Fighting, either verbally or physically
- Striking anyone with a hand, fist or object
- Interfering with an MTD employee's work
- Unauthorized use/misuse of MTD equipment
- Release of confidential MTD information
- Harassment toward another individual

* At Olive Terminal, smoking is only allowed in the designated area adjacent to the bus wash (see Appendix A). Smoking is not allowed anywhere on the Transit Center property.

Other offenses not on these lists may be perceived as serious even if they are of a lesser nature. If warnings have previously been issued, these multiple lesser offenses may result in prohibition from MTD property. MTD retains the right to prohibit a Contractor employee from performing work on MTD property for other reasonable causes. This section is not meant to provide an exhaustive list of unacceptable conduct. Contractor employees are expected to comply with applicable laws, use common sense, and adhere to the precepts of common decency at all times.

E. Accessibility & Security—Contractor and its employees shall keep in mind and, to the extent applicable, follow practices that ensure the security and safety of MTD facilities, equipment and personnel. To this end, the following accessibility and security standards and practices shall be implemented:

- Keys—Contractor primary contact shall be issued two copies of all keys necessary to gain access to areas, rooms, closets, cabinets or fixtures required to perform this SOW. It is expected that one set will be issued to the lead Contractor employee assigned to the MTD facilities. Given that this will likely be two separate lead janitors because there are two MTD sites subject to this SOW, this may in some instances necessitate the issuance of more than two copies of some keys. The primary contact or other appropriate Contractor employee or location shall have the second set of keys, which shall be available for supervisory oversight, emergencies, or for issuance to Contractor employees covering for lead janitor absences. The following standards and restrictions apply to MTD keys:
 - Contractor shall not make copies of any MTD keys unless specifically authorized by MTD. Under most circumstances, necessary key additions or replacements shall be provided by MTD.
 - Lost, misplaced, or stolen keys shall be reported to MTD. Exterior door key losses shall be reported immediately; for other keys, MTD shall be informed no later than the following business day.
 - Keys shall at all times be kept secure and not available to persons other than those they are issued to.
 - Contractor is expected to have in place a detailed recordkeeping system for tracking and issuing keys.
 - Contractor shall incur all expenses associated with rekeying MTD facilities in the event of key losses.
- Key Codes—The Driver's unisex restrooms at the Transit Center may only be accessed by key code. The key code will be provided to the primary contact, who will issue it to Contractor employees as necessary. Two doors on the first floor of the Administration Building may also be unlocked using a manually entered key code. However, because keys open such doors, the code will not be issued to the Contractor.
- Alarms—MTD will discuss security alarm issues with and provide necessary security alarm access codes to the Contractor prior to implementation of janitorial services provided under this SOW.
- Other Issues—The Contractor and relevant employees shall follow or be aware of the following:
 - Unless informed otherwise by MTD or it is during regular business hours, all doors shall be closed and locked after completing janitorial services. Doors, including those to offices and the key-coded first floor lobby door of the Administration Building, shall not be propped open at any time. For security purposes Contractor employees must lock down each space as they leave it. Contractor employees shall verify that exterior doors, including the upstairs balcony doors in the conference room of the Administration Building, are closed and locked. Doors that shall not be locked generally include bathrooms and lounges/kitchens. MTD shall provide more specific direction upon implementation of the contract.
 - Contractor employees shall not provide access or entry to any locked building or room to anyone, including MTD employees, other than Contractor employees performing janitorial services.
 - In the event of an emergency, Contractor employees may use MTD telephones for calling 9-1-1. In nearly all instances, it will be necessary to dial a nine (9) prior to entering 9-1-1.

VIII. CONTRACT OPTIONS

Near the end of the initial contract term and near the end of the first option period (if it has been exercised), MTD will conduct an analysis to determine if it is in its best interest to exercise the first or second option as applicable. During this process, the Contractor may be asked to provide information to assist MTD and, if so, will provide it. Exercise of an option will be solely at the discretion of MTD. It is anticipated the Contractor will be notified of MTD's decision at least 30 calendar days prior to expiration of the then current contract period.

IX. ANTICIPATED CLOSURE OF THE TRANSIT CENTER BUILDING

MTD will be contracting out renovation of the interior of the Transit Center. It is anticipated work may begin as early as spring 2017 and may take about six months. During the renovation period, the Contractor will not be able to perform specified janitorial services in the Transit Center. However, bus operations will continue in the immediate vicinity and some janitorial services will be required. Although those services are not fully known at this time, MTD plans to negotiate with the Contractor a fee adjustment to reflect the expected reduction in service. The Contractor's cooperation in this process will be required.

Accountability Check–Off Sheets (Punch List)

To provide better visibility of janitorial services to be accomplished each day and better accountability that they have been provided as specified in the Agreement, the Contractor shall use the attached Accountability Check-Off Sheets, also known as the “punch list,” which are attached hereto. The punch list is intended to reflect requirements cited in the Janitorial Task & Frequency Schedules in Appendices C, D and E.

The following guidance pertains to the punch list:

1. MTD will provide an initial set of the punch list for the Contractor to make copies for use by its personnel.
2. When not in use, the punch list for the Olive Terminal will be located on the Receptionist’s desk on the second floor of the Administration Building and the punch list for the Transit Center (TC) will be located in the TC office area.
3. Contractor personnel providing janitorial services (janitors) will use the forms to assist them in ensuring specified work is done each day and will check off work as it is accomplished or at the end of their shifts. Work specified for performance on other than a daily or weekly basis will be checked-off on the weekly punch list as it is accomplished. Weekly tasks will normally be performed the same day each week. Although other arrangements may be made with the designated MTD employee, tasks scheduled other than daily or weekly will be scheduled and accomplished during the following week of the month they are required to be performed:
 - a. Monthly – First week
 - b. Thrice Annually – Second week
 - c. Semi-Annually – Third week
 - d. Annually – Fourth week
4. At the end of each day work is performed the checked-off punch lists will be returned to the locations cited in “2” above.
5. On a day each week to be specified by MTD the Contractor’s supervisor of the work shall by signature on the punch list certify that the checked-off work for the prior week has been completed satisfactorily. This may require the supervisor to be on-site during the week to verify the work.
6. The certified punch list will be submitted to a designated MTD employee by the end of the next business day.
7. Space is provided on the punch list for notes by both the janitors and supervisors. Notes may include comments and questions and additional pages may be added if needed. Comments or questions that should be addressed sooner than the following week when the certified punch list will be reviewed by MTD should be provided by the Contractor’s supervisor to the designated MTD employee by email, written memo or phone.

**SANTA BARBARA METROPOLITAN TRANSIT DISTRICT
INVITATION FOR BIDS FOR JANITORIAL SERVICES**

PRICE BID

The Bidder represents and warrants that:

1. It has sufficiently informed itself in all matters affecting the performance of the work, or the furnishing of the labor, supplies, material, or equipment called for in carrying out the Project.
2. Its bid has been thoroughly checked for errors and omissions and all prices, monthly fixed fees, hourly rates and fees percentages stated are complete and correct statements of its bid for performing all project work required by the contract documents.
3. Its bid is genuine, not sham or collusive, nor made in the interest of any person not herein named; that it has not induced or solicited any other Bidder to submit a sham bid or to refrain from bidding; and that it has not in any illegal manner sought to secure for himself any advantage over any other Bidder.
4. Its bid is valid for forty-five (45) days following the bid due date.

(Please do all math & fill in all numbers, including grand total. Round all figures other than hourly rates to nearest dollar; 50¢ or above, round up; otherwise, round down. Don't worry; math will be verified, although figures in rows A, B, E & H are considered final as is.)

	Year 1	Year 2	Year 3	Year 4 (Option)	Year 5 (Option)
A. Monthly Fixed Fee for Labor Services & Cleaning Supplies/Equipment	(9/1/16-8/31/17) \$3,929.00	(9/1/17-8/31/18) \$3,929.00	(9/1/18-8/2/19) \$3,929.00	(9/1/19-8/31/20) \$3,929.00	(9/1/20-8/31/21) \$3,929.00

BOARD OF DIRECTORS REPORT

MEETING DATE: August 23, 2016

AGENDA ITEM #: 9

TYPE: ACTION

PREPARED BY: BRAD DAVIS

Signature

REVIEWED BY: GENERAL MANAGER

Signature

SUBJECT: Authorization to lease 6 BYD 30' Electric Vehicles

RECOMMENDATION:

Staff recommends that the Board:

- Authorize the General Manager to enter into an agreement with BYD Motors to lease six thirty-foot battery-electric "shuttle configuration" buses contingent upon approval of the terms and conditions of the lease by MTD legal counsel; and,
- Revise the fiscal year 2016-2017 budget to accommodate lease payments of up to \$138,000.

DISCUSSION:

Background

Last June 28, the Board authorized the General Manager to enter into a contract with BYD to purchase eight electric buses of the same configuration. This is the first phase in the replacement of the 14 Ebus electric shuttles that are 14 to 16 years of age. The board report for the agenda item included comprehensive information on the purchase including the basis for the need, the choice of vehicle, the nature of the purchasing process, a price analysis, and the intention to lease the six additional EV's to complete the fleet replacement. That previous board report is included as an attachment to this report.

Lease Agreement

The key terms and conditions of the lease are as follows:

- The lease payments would be based on a 12-year term with an interest rate of 6% resulting in monthly payments of \$3,536 per vehicle (this amount may increase by up to 8% if it is determined to be subject to sales tax, which is being researched).
- MTD has the right to purchase any number of the six EV's at any time during the lease period for a price of \$409,905 including sales tax. The full amount of the lease payments, including interest, would be applied towards the purchase price. Note that the price takes into account a \$10,000 discount eligible through the end of August.
- Similarly, MTD has the right to terminate the lease of any vehicle at any time with no penalty if it were determined that there is no longer a need for the electric buses.

Budget & Funding

The approved budget for fiscal year 2016-17 does not include the cost of the lease payments. The aggregate payments in this fiscal year would be between \$84,000 and \$138,000 depending upon the timing of delivery and applicability of sales tax. Staff is seeking budget authority from the Board for lease payments of up to \$138,000 for FY 16-17. The terms of the lease meet accounting standards required to consider it a capital lease. As such, the portion of each payment representing principle would be considered a capital cost and the remaining interest portion would be an operating expense.

Capital Purchase

The City of Santa Barbara Master Agreement provides for the subsidies that support the Downtown-Waterfront Shuttle route. The quantity of leased vehicles that MTD ultimately would purchase is contingent upon any revisions to the terms of this agreement which expires in June, 2017. At this time, the outright purchase of the six vehicles would deplete MTD capital reserves to a level below what is considered fiscally prudent. MTD would continue to lease the requisite number of buses until funding can be secured and Board authorization is provided.

Attachment: *Authorization to Purchase Eight (8) BYD 30' Electric Vehicles MTD Board of Directors Report* dated June 28, 2016

BOARD OF DIRECTORS REPORT

MEETING DATE: June 28, 2016

AGENDA ITEM #: 8

TYPE: ACTION

PREPARED BY: BRAD DAVIS

Signature

DAVE HARBOUR

Signature

REVIEWED BY: GENERAL MANAGER

Signature

SUBJECT: AUTHORIZATION TO PURCHASE 8 BYD 30' ELECTRIC VEHICLES

RECOMMENDATION:

Staff recommends that the Board authorize the General Manager to:

- ◆ Purchase eight (8) BYD Motors, Inc., model K7M battery-electric low-floor thirty-foot "shuttle configuration" transit buses;
- ◆ Use options from Washington State Department of Enterprise Services (DES) master contract #09214 with BYD for the purchase;
- ◆ Issue a purchase order subject to the terms of the DES contract to BYD in the amount of \$3,279,240.33 for the eight electric vehicles.

DISCUSSION:

Project Need

As reported and discussed in past committee and board meetings, staff has unsuccessfully sought replacement of its aging battery-electric shuttle fleet with vehicles of similar size and style in addition to desired chassis improvements. With the recent retirement of the six remaining 1992 Specialty Vehicle shuttles, MTD is now operating 14 Ebus shuttles built between 2000 and 2002. The Ebus shuttles, at 14+ years of age and no longer in production, are becoming increasingly costly to maintain in terms of labor and parts. Many major components are no longer manufactured and finding either used replacements or qualified vendors to repair them is increasingly challenging. As there still remains no known electric buses meeting MTD's desired criteria in the 22-foot to 25-foot range, staff is recommending replacement of the fleet with 30-foot battery-electric shuttles.

Another important criterion is to obtain the vehicles from an established manufacturer that provides full design, support, parts, and warranty services similar to that of other bus builders such as Gillig and Nova.

Make & Model Decision

MTD staff has been thorough in researching vehicles that could adequately replace and update what the battery-electric shuttles have brought to the service they have provided. In the past five years, the requirements outlined in California AB32 have driven the challenge for manufacturers to develop and produce “zero-emissions” technology worthy of meeting the roles and duty-cycles of the transit industry.

Following numerous failed attempts to find a vendor that could build a battery-electric shuttle, MTD staff looked to the new battery-electric vehicle technology that has been evaluated and considered by the California Air Resources Board (CARB) and transit industry professionals. In its research, MTD has considered several different battery-electric vehicle manufacturers, with the aim to meet certain criteria, including: achieving the current trolley look and feel, charging technology, viable parts supply-chain, comprehensive training and technical support, industry standardization and familiarity, extended range, and warranty coverage of costly and crucial systems.

MTD chose to field-test the BYD 30-foot battery-electric K7 bus, to see if it could be a possible replacement platform for its aging battery-electric shuttle/trolley fleet. Field testing was positive, with the test bus traveling 120-150 miles per full charge. BYD also warrants their battery for 12 years, with no-cost repair or replacement if the battery falls below 70% capacity.

The BYD K7 platform has the capability to fully charge within 2-3 hours, and does not require opportunity chargers to be stationed throughout the system. Each K7 bus purchased will include a stationary charger, unlike the opportunity charging systems that are at an additional cost, need extra planning and municipality coordination, have to be serviced in the field, and may become a “weak-link” to operations when inoperable. MTD’s current electrical infrastructure allows for up to thirty chargers.

BYD has made the commitment to MTD to use its K7 platform to purpose-build an open-air shuttle/trolley to replace the current battery-electric shuttles and to meet MTD’s current service needs. Some of the construction details included larger window openings, removable window panels, inboard facing bench seating, ability to re-install the entry doors, air conditioning, new GFI FastFare fare boxes, AIM system and video camera system. In addition, BYD has committed to providing training and engineering support.

Vehicle Quantity & Leasing

Staff recommends limiting the purchase of EV replacements to eight at this time. This decision is based upon having adequate capital funds for other current and future projects as well as to maintain a capital reserve for unanticipated needs. Another reason is uncertainty surrounding the quantity of shuttles required in the future.

Nonetheless, as indicated above, there is a strong need for replacement of all 14 shuttles now. Thus, staff is working with BYD on a leasing arrangement for the remaining six electric buses. While not part of the recommendation of this report, staff is seeking a capital lease with the following attributes: the vehicles could be returned if determined they are not needed; or the electric shuttles could be purchased outright if there is a long-term need for them and the funding is available.

Budget & Funding

The recently approved capital budget for fiscal year 2016-17 includes \$4 million for the purchase of eight replacement shuttles. The capital funding would be provided from TDA State Transit Assistance Funds. MTD budgeted \$500,000 per vehicle based on the \$450,000 contract list price before sales tax. Several available BYD options were added in as well which bring the full cost, including sales tax, to \$514,655 per vehicle.

The prices quoted are before available California rebates. The California Air Resources Board (ARB), in partnership with CALSTART, launched the California Heavy Duty Voucher Incentive Project (HVIP) in 2009. The HVIP rebate per vehicle is \$104,750 for a net cost per bus of \$409,905. Thus, the total rebate amount is \$838,000 and accounts for the \$3.28 million cost rather than the budgeted amount of \$4 million.

Cooperative Purchasing Method

At its meeting of May 17, 2016, the Board authorized the General Manager to request 14 options for the BYD electric buses from DES. The request was made and was approved by the State of Washington on May 26, 2016. This cooperative purchasing method, commonly referred to as “piggybacking,” allows MTD to use a competitive solicitation process already carried out by another public agency. The method significantly reduces the procurement time and resources in acquiring the needed shuttle replacements in addition to obtaining the advantage of volume pricing.

Federal Funding Considerations

Although the eight electric buses recommended for purchase in this report will be funded from STA sales tax monies, if the other six vehicles are leased and ultimately purchased, MTD would most likely attempt to make use of federal funds. To this end, DES has assured MTD that their solicitation was carried out under federal guidelines. Staff is also seeking advisement from FTA Region IX that, one, the use of the DES piggyback in particular by MTD would be allowable; and, two, that the leasing arrangement for the vehicles is eligible for payoff using federal funds. MTD is confident on both accounts because the Fast Act specifically encourages both the use of cooperative purchasing and capital leasing. Additionally, MTD has used federal funds to pay off a capital bus lease in the past.

Price Analysis

In 2014, Washington State DES launched an RFP to establish a statewide master contract for Heavy-duty Transit Vehicles. In order to meet varying operational demands. The RFP requested bids for several different types of propulsion systems, with

numerous body length requests, including 30 ft., 35 ft., 40 ft., 45 ft., & 60 ft. Two bids for 30 ft. battery-electric buses were received, one from BYD Motors Inc. and one from GreenPower Motor Company Inc. The DES bid evaluation process included pricing, options, and non-cost response categories of review. The non-cost response category presented factors that focused on overall product best value. The final bid evaluation and scoring was represented as follows:

Vendor	BYD			Green Power		
Bus Size	Price	Points	Non Cost Points	Price	Points	Non Cost Points
30 ft.	\$ 450,000.00	130	122.57	\$ 606,838.00	118.23	97.29
Total	252.57			215.52		

The evaluation performed by DES determined that the BYD 30 ft. battery-electric bus was not only the best priced vehicle option, but also proved to be the best overall vehicle value within the category. Based upon the comprehensive RFP evaluation results provided by the Washington State DES, I find that the \$450,000 base price of the BYD 30 ft. battery electric bus to be fair and reasonable.

Subject: General Manager's Report

Operations & Maintenance

MTD's annual CHP audit is scheduled for the week of August 22nd. The Operations Department, in preparation for this annual visit, internally audits the affected programs which include Pull Notices, Drug and Alcohol testing, employee license, Verification of Transit Training certification and current Medical cards. Strict adherence regarding documentation of the State and Federal Hours-of-Service mandates and regulations (i.e. other employment, such as moonlighting, and the 70/8 rule – no more than 70 compensated hours in 8 days) is also being internally audited and prepared for examination by the CHP Inspector.

"Old Spanish Days" came, and went without incident, at least pertaining to MTD. The two parades that impact our service: El Desfile Historico and El Desfile de los Ninos, did create closures and detours, which Operations had planned for, well in advance. Minor adjustments were necessary from the plans implemented, due to heavy, heavy traffic, delayed openings of closed streets, and large crowds.

Our Fall 2016 Bid will commence in conjunction with the new service changes next week on August 22nd. Additional Staff and Supervision will be present throughout our service area, with particular attention directed towards the Goleta area, with the implementation of the line changes, additions and eliminations.

The BYD project is moving forward, with current focus on details that hinge upon achieving the "Trolley" look. Details of the build specs continue to be discussed, including removable windows that maximize the window openings, the front cap visor, mounts for holiday displays, etc... A call and email have been submitted to Justin Milikan (Ricon) to obtain some status on the window design.

Received BYD charging infrastructure upgrade and generator upgrade proposal from John Maloney. The proposal includes a site assessment that will consider possible charging opportunities for 40" and 45" electric buses.

The expired and excess interior advertisements have been removed from the entire fleet. Current advertisements and information signs for the August service changes have been installed.

Cummins related issues continue to plague the 2013 Gillig fleet. Several engine codes related to the emissions after treatment have become common. Cummins has been frequently called to assist with troubleshooting. The codes and issues that we are experiencing appear to be a more common issue throughout the industry. Other Cummins users will be contacted to discuss the issues and to see what might be an action-plan moving forward.

Planning & Administration

The inbound stop at Cliff/Meigs that serves Lines 4, 5 and 15x will be closed on August 22nd due to the City of Santa Barbara receiving a complaint about accessibility. Funding the modifications for accessibility would be cost prohibitive given the multiple obstacles within the area particularly with relocating utility boxes. A notice was posted to inform Line 4 and Line 15x passengers to use the Meigs/Dolores stop (approx. 600 ft. away) and for Line 5 passengers to use the Cliff/Meigs west stop (approx. 450 ft.). The City is proposing to install a concrete pad(s) in the dirt parkway at Meigs/Dolores for boarding particularly with the higher anticipated use.

The Line 14 stop at Olive Mill/Coast Village Road will be closed for approximately fifteen months beginning August 15 due to a private development project on that corner.

The Fall changes begin on August 22 that affect Lines 6, 7, 8, 9, 11, 20, 23 and 25. The new Line 28 funded by UCSB will also debut. Staff will report on the initial results after a few months of implementation. Passenger information was posted at bus stops, in buses, on the website, social media and other means in addition to the updated Schedule Guide. Staff has been tabling at primary Storke/Hollister bus stops the week before and the week of when the Fall changes begin to answer questions. Staff also provided additional information of the changes to drivers by presenting them at VTT and on a monitor in the driver room, in addition to the standard Route Book and DDR drivers receive.

Planning and Operations staff met with SBCAG staff to hear a presentation on the construction phasing of the Linden Ave/Casitas Pass Road overpass replacement project in Carpinteria. Construction is proposed to begin in September and end in 2020. The information will be useful for staff to understand and plan for potential delays to the Lines 20, 21x and Seaside Shuttle throughout the duration of the project.

MTD received a letter from SBCAG on August 12th regarding the Traffic Management Program for the Linden Ave/Casitas Pass Road overpass replacement project. One component of the TMP is to create and operate both local and regional transit services that will reduce traffic in and around the project area as well as provide service to affected residential areas. SBCAG is interested in partnering with MTD to achieve these TMP goals developed by SBCAG which are outlined in the letter. A maximum of \$325,000 in project funding is available to meet these goals. SBCAG is requesting response of willingness by MTD to operate the services by September 2nd.

Administration

At the suggestion of the Montecito Community Foundation (MCF), staff submitted an application to the MCF for a project to improve the aesthetics of bus stops in Montecito. The first project would install green sleeves and sign holders on the poles at all of the bus stops in the area, and potentially one "demonstration" stop would get a new green bench and trash can. Possible future projects could include additional new benches at a few of the busiest stops.

Staff submitted the semi-annual Public Transportation Modernization, Improvement, and Service Enhancement Account (PTMISEA) reports to Caltrans, as required. Staff also

submitted MTD's monthly ridership report for July to FTA's National Transit Database, as required.

HR is pleased to announce the hire of new bus driver Christina Medina. Ms. Medina started training last week and she is very excited to join the MTD team. Recruiting efforts continue in order to fill open driver positions and HR is using social media as a source for posting openings by way of MTD's Facebook page. Recruiting for the Marketing and Community Relations Manager started two weeks ago and we have received strong applicant response.

Customer Service is busy with the start of the school year, as well as the service changes to the bus system. We have gotten booster schedules out to all of the area junior high and high schools, as well as attending "Back to School" events to sell passes and inform students and parents of the correct bus to take, based on the school and home location.

Traditionally, at this time of year, MTD's Outreach Department focuses on reaching the senior demographic. We have confirmed events at Earl Warren and also the Carpinteria Senior Health Fair. Additionally, we have bus riding presentations planned for Villa Caridad (the senior complex run by St. Vincent's) and Presidio Springs (run by the Housing Authority). Because we just installed a new bus shelter at De la Guerra and Laguna, servicing the Presidio Springs complex, we are also planning a "ribbon cutting" on the same morning as the presentation.

The large font bus schedules have been printed and are being distributed at the Braille Institute, libraries, community centers, and the Transit Center.

RE: Use of Linden/Casitas Project Traffic Management Program Funds

Dear Mr. Estrada:

The Santa Barbara County Association of Governments has partnered with Caltrans to develop a Traffic Management Program (TMP) for the US 101 Linden Avenue/Casitas Pass Road overpass replacement project in Carpinteria. The project is Phase III of the four phase US 101 widening. Construction is scheduled to begin in September 2016.

One component of the TMP is to create and operate both local and regional transit services that will reduce traffic in and around the project area as well as provide service to affected residential areas. SBCAG is interested in partnering with MTD to achieve the TMP goals developed by SBCAG, which are included as separate attachments.

A maximum of \$325,000 in project funding is available to meet these goals. The project is expected to last four years, although the project impacts will not occur uniformly either temporally or geographically. If needed, MTD could make use of SBCAG-owned vehicles for the services, including two Van Hool over-the-road coaches and an International cutaway.

Please notify me of MTD's willingness to operate the services required for the TMP no later than September 2, 2016.

Please feel free to contact me at 961-8900 if you have any questions.

Sincerely,

Jim Kemp
Executive Director

cc: Dave Davis, SBMTD Board Chair

ATTACHMENT A

Regional Transit Service Goals Linden/Casitas Pass Project

- Operate 2-4 weekday peak hour trips between Carpinteria and Goleta and/or UCSB
- Express service with 1-2 pick-up locations in Carpinteria and 3-5 stops in Goleta/UCSB
- Serve major employment centers along the Hollister corridor and/or UCSB
- Avoid use of Linden Ave and Casitas Pass Road ramps for exiting and entering US 101 due to temporary closures as a result of construction
- Reduce single occupant vehicle use of Linden Avenue and Casitas Pass Road on/off ramps in Carpinteria
- Provide an attractive alternative for commuters currently driving using over-the-road coaches
- Service could be unidirectional or bidirectional based on market demand
- Start date: October 1, 2017
- Example service: four morning trips/four afternoon trips, allowing 30 minutes for deadhead

ATTACHMENT B
Local Transit Service Goals
Linden/Casitas Pass Project

- Provide fixed route and/or dial-a-ride bus service for residents of Via Real east of Casitas Pass Road when the Carpinteria Creek bike/pedestrian path is closed during construction.
 - Residents currently use the path to reach businesses and services on the ocean side of US 101 at Casitas Plaza. Without interim\construction bus service, closure of the path will require out of direction travel to Bailard Avenue and Carpinteria Avenue.
 - Bus service to the Plaza should be roughly comparable to the time it takes to walk to Casitas Plaza on the Carpinteria Creek trail from the cul-de-sac of Via Real.
- Provide fixed-route morning and afternoon service for students who need to get to and from Carpinteria Middle School that would normally use the Carpinteria Creek path.
- By permit, construction affecting Carpinteria Creek can commence in June 2017, so begin service May 29, 2017.
