

BOARD OF DIRECTORS REPORT

MEETING DATE:	FEBRUARY 1, 2022	AGENDA ITEM: #4
DEPARTMENT:	ADMINISTRATION	
TYPE:	ACTION ITEM	
PREPARED BY:	JERRY ESTRADA	
REVIEWED BY:	GENERAL MANAGER	
SUBJECT:	STATUS REPORT ON THE COVID-19 STATE OF EMERGENCY	

RECOMENDATION:

Staff requests that the Board reconsider the circumstances of the COVID-19 State of Emergency:

1. Consider whether state or local officials continue to impose or recommend measures to promote social distancing;
2. Find that the MTD Board has reconsidered the circumstances of the state of emergency, and that State or local officials continue to impose or recommend measures to promote social distancing; and
3. Direct staff to continue to notice and hold hearings as remote hearings consistent with Government Code § 54953(e)(3).

DISCUSSION:

On January 5, 2022, Governor Gavin Newsom issued Executive Order N-1-22, which among other things set a date of April 1, 2022 for public agencies to transition back to public meetings held in full compliance with the Brown Act, including how remote participation is conducted. The California State Legislature recently passed, and the Governor signed, Assembly Bill 361 (Rivas, 2021) (AB 361), which amends the Government Code to allow Brown Act bodies to continue to meet remotely if certain elements are met. AB 361 took effect immediately, but does not supersede Executive Order N-1-22. It applies to all Brown Act boards, committees, and commissions.

On January 31, 2020, the Secretary of Health and Human Services (HHS) declared a public health emergency under section 319 of the Public Health Service Act (42 USC § 247d) in response to COVID-19. On March 13, 2020, the US President declared a national emergency concerning the COVID-19 pandemic, which has been extended until February 24, 2022. On March 4, 2020, Governor Newsom declared a state of emergency for conditions caused by COVID-19, which has been extended until March 31, 2022. On March 12, 2020, the Santa Barbara County Director of Emergency Services proclaimed a Local Emergency as a result of the COVID-19 and the Santa Barbara County Health Officer declared a Local Health Emergency, due to the imminent and proximate threat to public health from the introduction of COVID-19. Thereafter, on March 17,

BOARD OF DIRECTORS REPORT

2020, the Santa Barbara County Board of Supervisors ratified the Proclamation of a Local Emergency and the Declaration of a Local Health Emergency, which remain in effect.

On September 28, 2021, the Santa Barbara County Public Health Officials recommended utilizing teleconferencing options for public meetings as an effective social distancing measure to facilitate participation in public affairs and encourage participants to protect themselves and others from the COVID-19 disease (attached). Santa Barbara County is currently categorized as having a “high” level of community transmission by the US Centers for Disease Control and Prevention's four-tiered system. As of January 22, 2022, the Santa Barbara County Public Health Department reports a case rate of 190.54 per 100,000 and an 18.5% test positivity rate.

HEALTH OFFICIALS AB 361 SOCIAL DISTANCE RECOMMENDATION

Issued: September 28, 2021

COVID-19 disease prevention measures, endorsed by the Centers for Disease Control and Prevention, include vaccinations, facial coverings, increased indoor ventilation, handwashing, and physical distancing (particularly indoors).

Since March 2020, local legislative bodies-such as commissions, committees, boards, and councils- have successfully held public meetings with teleconferencing as authorized by Executive Orders issued by the Governor. Using technology to allow for virtual participation in public meetings is a social distancing measure that may help control transmission of the SARS-CoV-2 virus. Public meetings bring together many individuals (both vaccinated and potentially unvaccinated), from multiple households, in a single indoor space for an extended time. For those at increased risk for infection, or subject to an isolation or quarantine order, teleconferencing allows for full participation in public meetings, while protecting themselves and others from the COVID-19 virus.

Utilizing teleconferencing options for public meetings is an effective and recommended social distancing measure to facilitate participation in public affairs and encourage participants to protect themselves and others from the COVID-19 disease. This recommendation is further intended to satisfy the requirement of the Brown Act (specifically Gov't Code Section 54953(e)(1)(A)), which allows local legislative bodies in the County of Santa Barbara to use certain available teleconferencing options set forth in the Brown Act.

Henning Ansorg, MD
Public Health Officer
County of Santa Barbara

Public Health Director
County of Santa Barbara

EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA

EXECUTIVE ORDER N-1-22

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS on March 12, 2021, I issued Executive Order N-25-20, paragraph 11, and on March 17, 2020, I issued Executive Order N-29-20, paragraph 3, waiving certain requirements that public meetings of state bodies occur in-person; and

WHEREAS on June 11, 2021, I issued Executive Order N-08-21 to roll back certain provisions of my COVID-19-related Executive Orders and to clarify that other provisions remained necessary to help California respond to, recover from, and mitigate the impacts of the COVID-19 pandemic; and

WHEREAS paragraph 42 of Executive Order N-08-21 specified that the waiver of requirements that public meetings of state bodies occur in-person would be valid through September 30, 2021; and

WHEREAS on September 16, 2021, I signed into law Assembly Bill 361 (AB 361), which amended the Government Code and Education Code to provide additional flexibility for state bodies to conduct public meetings via teleconference through January 31, 2022; and

WHEREAS since Thanksgiving, the statewide seven-day average case rate has increased by 805% and the number of COVID-19 hospitalized patients has increased by 154%; and

WHEREAS this surge is being driven by the recent emergence of the Omicron variant, which has recently been estimated to account for approximately 70% of cases sequenced nationally; and

WHEREAS early data suggest that the Omicron variant is more transmissible than the Delta variant; and

WHEREAS requiring large numbers of individuals to gather, and potentially travel long distances, for in-person public meetings could potentially, and unnecessarily, expose numerous people to COVID-19, further contribute to the ongoing surge in cases caused by the Omicron variant, compound disruptions to our economy, and undermine public health measures during the current State of Emergency; and

WHEREAS when the Legislature considered AB 361 this past fall, the Omicron variant had not emerged, and the virus had not demonstrated the ability to evade immunity; and

WHEREAS in light of the present surge in cases due to the Omicron variant, and to protect the public health and safety, it is necessary to temporarily extend the flexibilities for state bodies to conduct teleconferences under AB 361 beyond January 31, 2022, to provide state bodies the option of conducting public meetings remotely to reduce the risk of in-person exposure to members of the staff body, staff, and members of the public; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with the statutes specified in this Order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes, and in particular, Government Code sections 8567, 8571, and 8627 do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

1. The sunset dates in Education Code section 89305.6, subdivision (g), and Government Code section 11133, subdivision (g), are suspended until March 31, 2022.
2. This Order shall expire at 11:59 p.m. on April 1, 2022.

I FURTHER DIRECT that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 5th day of January 2022.

GAVIN NEWSOM
Governor of California

ATTEST:

SHIRLEY WEBER, PH.D.
Secretary of State
