

Upcoming Invitation for Bids Haley Canopy Zero-Emission Vehicle (ZEV) Infrastructure Improvements Project

Attention General Contractors, Electricians & Subcontractors

Santa Barbara Metropolitan Transit District (MTD) will be issuing an Invitation for Bids (IFB) this Spring 2025. Anticipated award and construction start this Summer 2025.

MTD, a public transit agency with electric buses and vans that operate out of its Terminal 1 facility at 550 Olive Street, Santa Barbara, CA 93101, seeks to upgrade existing electric vehicle charging infrastructure and install new medium- and heavy-duty electric vehicle chargers. The project includes electrical upgrades; installation of Level 2 and 3 electric vehicle chargers and appurtenances furnished by MTD; new LED lighting and control panels; and installation of a cellular repeater.

The construction documents are complete and the project is permitted. This is a public works project requiring California Department of Industrial Relations (DIR) prevailing wage laws and regulations; applicable and active Contractors State License Board (CSLB) "A" and/or "B" and/or "C-10" License; and City of Santa Barbara Business License.

Estimated construction value is \$850,000 – \$1,100,000.

If you wish to participate in this upcoming formal solicitation, to be placed on the bidder list for the project, and/or to receive e-mail notifications regarding project requirements, activities and updates, please contact:
